

Oilfield Vacuum Trucks

EMI Oilfield Vacuum Tanks

Our oilfield vacuum tanks can be installed on one of our chassis or on one of yours.

We manufacture 80 barrel oilfield vacuum tanks, 90 barrel oilfield vacuum tanks, and 100 barrel oilfield vacuum tanks. Our oilfield vacuum tanks are made of Non-DOT steel. Just like our water tank trucks, our oilfield vacuum tanks are assembled at Central Star Manufacturing. EMI insures the best quality oilfield vacuum tanks.

We offer only the best brands of oilfield vacuum pumps.

90 Barrel

Oilfield Vacuum Truck
